Adopt-A-Pool 2012 Begins Next Month!

Don't miss out on a great chance to help our community and revitalize our pools for the upcoming season! The City of Reno has announced that the Idlewild and Traner pools will open for the 2012 season, in a large part to your help during last year's Adopt-A-Pool.

And now, SNCA is pleased to bring you the 2nd annual Adopt-A-Pool!
Tuesday May 29th – June 7th

We would love to see all of you at this year's event so please mark your calendars for the week of May 29th – June 7th.

Adopt-A-Pool Schedule

Idlewild

Tuesday May 29th - 10am to 2:30pm

Duties: Pressure washing and clean out of pools, painting. A large pump will be used to drain the pool and this takes most of the first day. The green slime that is exposed as the water line drops must be cleaned off while it is still wet as to minimize staining the pool surface.

Wednesday May 30th - 7:30am to 2:30pm

Duties: Finishing wash-down of pools and clean-out of surge tank, painting. There will be repairs needed to the tile around the rim of the pool and portions of the pool surface. The City has these tiles and patch materials in stock and some of the existing tiles will be reused after a little cleanup is done to them. Some of these may be lying in the bottom of the pool and will be retrieved when the pool is drained.

Thursday May 31st - 7:30am to 2:30pm

Assist with tile repairs, fill pool, painting.

Friday June 1st - 7:30am to 2:30pm

Assist with pump and solar system start-up, touch up painting.

Saturday June 2nd - Adopt-A-Pool Day – 10am to 1pm

Remove weeds and rake planter beds, weed removal in playground adjacent

to pool, planting for pool beds, sweep entrance and parking lot, hose and squeegee bath house/pool deck, clean windows, cleaning out gutter drains, installing wind screens on fence, painting.

**Traner
Tuesday June 5th - Thursday June 7th
7:30am to 2:30pm**

The City of Reno will need volunteers to help with cleaning, painting, repairing expansion joints, assistance with building preparation and pump start up. The Traner plan has the same basic functions as the Idlewild Pool.

All you need to bring is a few tools you may have: rakes, gardening equipment for planting, covered shoes that can get wet, clothes appropriate for painting and most of all, your willingness to help the aquatics community.

For more information contact Mike Ginsburg at 775-834-7766 or mike.ginsburg@sncaquatics.org
