Aquafest 2011!

Thank you to everyone who joined us at Idlewild Pool and Park on Saturday! Aquafest was a special event that featured Olympic medalists Rowdy Gaines, Lacey Nymeyer and Aaron Peirsol.

Aquafest was a day-long festivity, starting with a relay swim meet in the morning. The kids (and a few adults) got to get in the pool with our Olympians and compete in several relay races including laps of feet-first swimming and inner-tube racing.

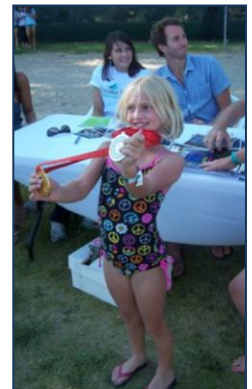

Moving into the evening, fundraiser attendees enjoyed a BBQ buffet, great drinks and had the chance to bid on some fabulous auction items. The Olympians were on hand to sign autographs, answer questions and all around just to hang out.

The event was a great success and it was thanks to all of our supporters! Thank you to everyone who came out and to all those that helped make it what it was. We are one step closer to a new pool!

We also owe a great deal of thanks to this year's sponsors, who wit out their help this event would not have taken place. Thanks to the Raymond Rude Foundation, NV Energy, The Atlantis Hotel/Casino,

American Assay, Men Welding Fire, The Grape and the Grain, Reno Area Triathletes/Pyramid Lake Triathlon, Model Dairy, Einstein Bagels, Silver Legacy and all of the businesses that donated the many raffle and auction items.

And a special thanks to the City of Reno for their co-sponsorship and donation of the pool for this year's event.

Adopt-A-Pool 2011

SNCA would like to thank everyone who attended Adopt-A-Pool last month at Idlewild and Traner Pools. The amount of people that came out to help with June's event met our and the City of Reno's expectations and more.

Although it may not have been the most glamorous of work, everyone rolled up their sleeves and dove in. The event on Saturday June 4th had over 110 volunteers and the pool looks beautiful!

We will be planning a fall Adopt-A-Pool to help shut down the Idlewild and Traner Pools and we will also have the opportunity to ready the Northwest Pool for the winter swim season, just as we did last fall. Once again THANK YOU to everyone who came out to help!
