Volunteers Make Adopt a Pool a Huge Success

Sierra Nevada Community Aquatics would like to extend a heartfelt thank you to everyone who attended the Adopt-A-Pool 2013.

The event drew a record number with over **130 volunteers** who generously provided approximately **350 hours of labor** to ready the pool and surrounding area for the opening this weekend. Working in concert with the City of Reno Parks and Recreation and Public Works staff we were able to accomplish all the tasks that had been suggested. We would also like to thank this year’s sponsors; Reno Area Triathletes, Todd’s Body Shop and NV Energy for purchasing t-shirts, drinks and snacks for the volunteers.

Adopt a Pool

Thank you to everyone who made this year’s event a success. It was great to see so many aquatic users demonstrate their commitment and willingness to “Dive In” and help.

Summer is Here! Seasonal Pools Opening

SNCA Mission Statement:

Our mission is to promote, facilitate and coordinate the sustainability and expansion of aquatic resources within the Truckee Meadows.

The kids are out of school and the temperatures are already approaching 100! Fortunately local seasonal pools are opening for the summer. As SNCA had noted previously we are thrilled that for the first time since our inception we are able to announce an additional opening rather than closings or decreased hours. Washoe County is opening the Bower's Mansion Pool this summer for the first time in three years! Following is a listing of all the local openings for the regions public seasonal pools. Please be sure to support these local venues when you are attempting to escape the summer heat.
